FISCAL NOTE ANALYSIS

STATE OF ALASKA
2022 LEGISLATIVE SESSION

Analysis

The proposed legislation adds commercial fishing vessels (CFV) with a valid commercial fishing license to the list of boats that are exempt from numbering and registration.

The proposed legislation also provides that boats exempt from registration under this section are still subject to titling requirements under AS 05.25.056(a). This will result in no change from current revenue.

This legislation proposes an annual fee of \$8 to be paid to Commercial Fisheries Entry Commission (CFEC) for these vessels, in lieu of paying the Division of Motor Vehicles (DMV) \$24 registration fees every three years. This will result in a decrease in revenue collected by DMV as the collection moves from DMV to another agency.

Average Registrations for CY 2020-2021

Boat Type	Count	Revenue
Power	3072	\$73,728
Non-Power	21	\$210
Total	3317.5	\$73,938
